The 1983 Girls Cross Country team posted it's finest season ever, losing only once during the regular season, and finishing second in competition at the AA State Meet in Buckeye. The girls boast 5 All-Conference runners in defending their AA-South Conference Crown.

Led by seniors Elsa Gutierrez, Millie Hum, Corinne Andreson and Dalia Rosas, this year's squad demonstrated the needed experience to be the outstanding team it was. Juniors Pat Estrada and Mary Ast were outstanding AA-South All conference runners, along with Hum, Gutierrez and Andreson. Susie Valdez and Gaby Vega, both sophomores, added the finishing touches to the varsity, supported by outstanding frosh runners Maya McCullough and Nellie Alcantar.

The Leaders Of Tomorrow

The Adobe class respectfully dedicates this page to you, the Class of '84, and wish for each of you a bright, prosperous and satisfying future.

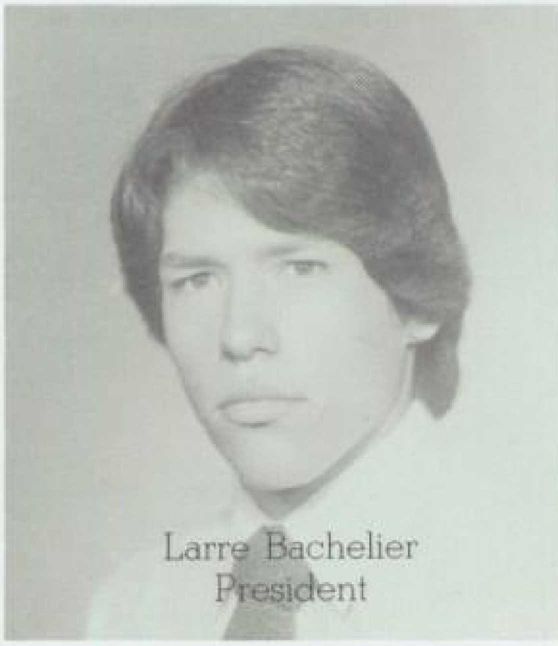

During the last four years, you have learned a variety of talents. From laying around and putting in your time, or actually learning how to work and study; and, in some cases, "unfortunately", how to get through with the assistance of fellow classmates.

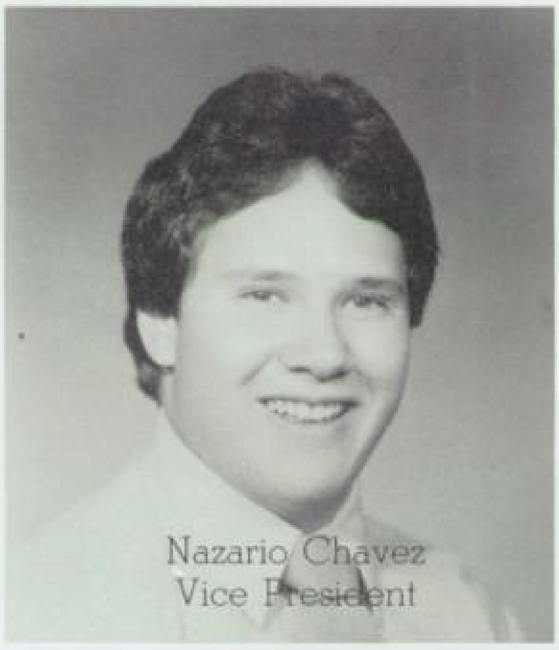

You will soon be on your own. No more will you have somebody's paper or test to look at or a kind and generous teacher to ease your way. You are now ready to enter the school of "hard-knocks".

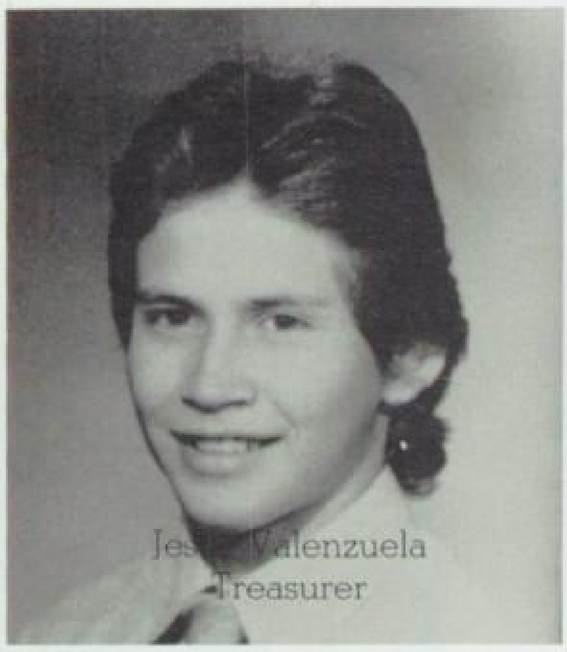

The choice will now be yours. Use wisely what you have learned and you will truly be the leaders of tomorrow.

We wish you well:
The Adobe Staff

To The Class Of "84"

We have come a long way throughout these four years. All of you have contributed to our greatness in one way or another. Leaving the memories and friends will be hard, but that is what life has to offer. I hope that being a graduate of N.H.S. will always make you, the senior class of 1984, Proud. We have exemplified the spirit of N.H.S. and our togetherness has made us a competitive and assertive class. I love my senior classmates, and I will forever cherish your friendship.

To the greatest teacher here in this school and maybe even in any other school. Ms R. you've been great. You understand people and realize that we're human. We all make mistakes. Not only have you given us a great education, but also lots of understanding and how to understand others. Thanks alot for everything please don't check my spelling, punctuation etc.

Love always
